

**EAST ANGLIA
GYMNASTICS**

**Your *Ultimate* Birthday Party
Experience at TEAM EAG**
(everything you need to know is in this pack)

WHAT DO OTHER PARENTS THINK?

It really is one of the best we've ever had!

The perfect mixture of taught gymnastics and free play

The coach's were amazing, so much patience and engagement with the children

I didn't have to worry about anything, was a joy to organise them

I would **100% recommend** booking a party here!

The coaches were so kind, and patient with the children. There were children who were shy and they did everything to make them feel better and join in! Everything was thought of.

Thank You So Much!
